ENCOURAGING AND EQUIPPING CHRISTIAN LEADERS WHERE THEY LIVE

## Kenya LTC, Dedication, Ordination...

**Kipsaina, Kenya.** Truth Connect traveled with a team of 12 from the U.S. to serve in Kipsaina. Many exciting things happened in 7 days of ministry. It was a blessing to visit the House of Hope Orphanage. Your donations provide safe housing, consistent food and hope for 31 children. TC is helping them expand their capacity for more children. The team served in a variety of ways at the Leadership Training Conference (LTC) where many young people were trained in leadership principles and foundations of the Church. Over 50 attendees put their faith in Jesus and were gifted new bibles in Swahili. Six men, along with their wives, sat before an ordination council led by Dr. Don Schreier and 3 members of our team. They all did well and received their ordination certificates (more to come on this in a later update). Sunday was a day of celebration. The new worship center was officially dedicated and the six ordained men were publicly recognized at the church service.

While in Nairobi our team visited Christian Best Camps of Kenya. Erick Simba, one of TC's supported leaders, is doing a great job with his team working with the people of Kibera, the largest slum in Africa.

## New Worship & Training Center

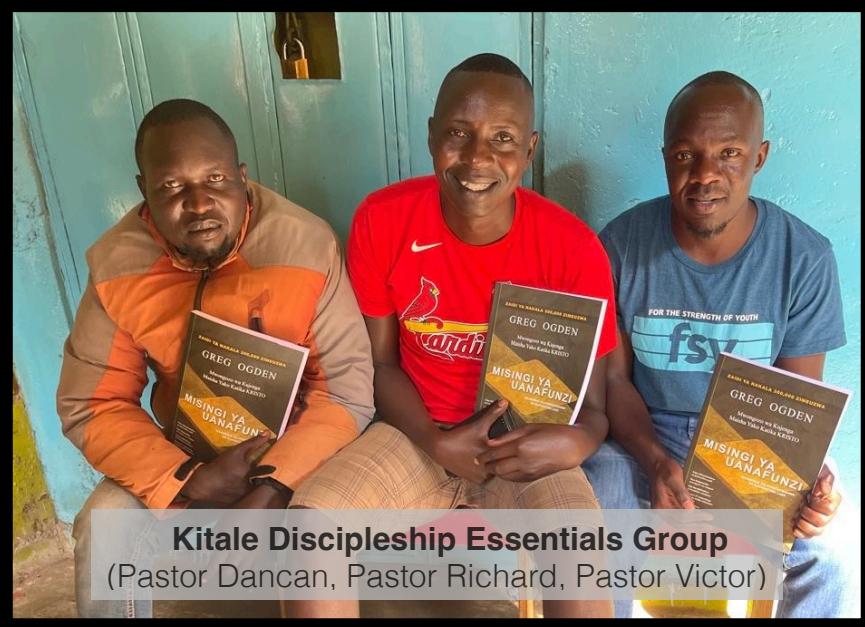

House of Hope Rock Church

**Dedication.** Truth Connect dedicated the new worship and training center that you helped build. It is a beautiful place that will be used to glorify God. The building was filled with 1,000+ people for the LTC but we are dreaming about more. This place is uniquely positioned near Uganda, South Sudan and Ethiopia. We are trusting God to use this place to train leaders that can reach more people with the Gospel and equip them for ministry in many more places.

Thank you for your continued support of Truth Connect. As we plan for the future we will continue to support the work of our trusted leaders in Africa, India and the Caribbean. As always, you are welcome to come see it all with your own eyes.

# TRUTH CONNECT ~ Training Leaders Globally

**“Everything rises and falls on leadership!”**

This phrase will continue to be the heartbeat of Truth Connect. When the leader is healthy everyone benefits. This group of talented leaders pictured above is nearing the end of their year-long discipleship training. They are equipped with the tools needed to make disciples where they live.

God has been faithful to provide qualified leaders to guide the steps of Truth Connect. Below you can see the men God has chosen as the Board of Directors. They all have a heart for God and are uniquely equipped to support TC's mission.

## FROM THE PRESIDENT

Julie and I are humbled and excited to lead Truth Connect. We are so thankful to have Dr. Don and Karen as mentors in our lives. We have a front row seat to their lives and we are grateful for how they model radical faith in Jesus and obedience to God's plan. We continue to ask for God's wisdom as we lead a kingdom-minded organization that started through two amazing people.

A.W. Tozer said, "God is looking for those with whom He can do the impossible - what a pity we plan only the things that we can do by ourselves". We are trusting God to do amazing things through TC and all of you who fuel this mission.

Thanks so much for your love and support. You are loved and greatly appreciated.

Grace & peace & love,

*Luke Breeze*
