ENCOURAGING AND EQUIPPING CHRISTIAN LEADERS WHERE THEY LIVE

“...what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also.”

- 2 Timothy 2:2

Ordination Council in Kenya

**Ordination Council.** The heartbeat of Truth Connect has always been to encourage and equip Christians to be better leaders and disciple-makers where they live. God’s Word teaches us those who are called to lead the Church are to be tested first. In the picture above, you see six men along with their wives, who sat before an ordination council in Kenya. The council was led by Dr. Don Schreier and 3 members of our team. Each of the men answered a questionnaire before attending. They also answered questions in person regarding their call to ministry, how they lead their families and the church, and talked about their biblical qualifications to lead. They all did well and received their ordination certificates. It was a privilege to publicly celebrate what God is doing through these leaders at the House of Hope Church service on Sunday.

**Multiplication.** There is a reason Jesus modeled intentional and relational discipleship. He knew the power of multiplication! We are excited to see this model of growth happening around the world. In Kitale, Kenya 3 great men (Dancan, Richard and Victor) have recently finished their year-long discipleship group and are now leading their own. Together we are dreaming about the reality of thousands being discipled in God’s Word and then doing the same for others. Thank you for supporting TC and making these God-sized dreams a reality.

# TRUTH CONNECT ~ Training Leaders Globally

## Planning For The Future

John Huston, TC's Vice President, recently led the board of directors in a strategic planning and vision casting day. TC will continue training leaders globally and is planning some exciting things in 2027 and beyond. TC plans to travel to India in January where Pastor Moses will host our teachers at Leadership Training Conferences and Spiritual Life Conferences. There is also a scheduled trip to Kenya in the fall of 2027. Our trusted partners in Nairobi, Eldoret and Kitale are all planning to hold LTC's. Lord willing, this trip to Africa may also include a stop in Uganda.

Cooking for Conference Attendees

Thank you for investing in the mission of Truth Connect. Without your support none of this would be possible. You have helped build worship centers, orphanages, train thousands of leaders, build global discipleship initiatives and so much more. I am so grateful for what God has done already but I truly believe the best is yet to come. As you pray, let us know if you would like to join us on any of TC's future trips. We are always looking for qualified teachers and prayer walkers to join us.

## FROM THE PRESIDENT

I am so thankful for everyone who supports Truth Connect through prayer and donations. One of my goals as President is to increase our communication with all of you so you can have multiple ways of seeing and hearing what God is doing through your generosity. You will continue to receive these newsletters throughout the year but starting this month you will now have access to more regular TC updates through various methods.

**April:** We will be launching our new and updated social media. Please follow us on Facebook and Instagram. (See Below)

**June:** We are working behind the scenes to launch the very first Truth Connect podcast. The first episode will be out in June.

These are tools for us to share the amazing stories of God working through his people all around the world.
